

## Let's Dive In! Venue Information Newlands Girls School

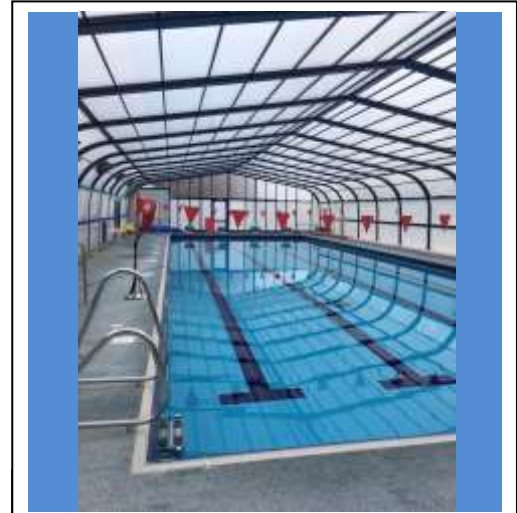

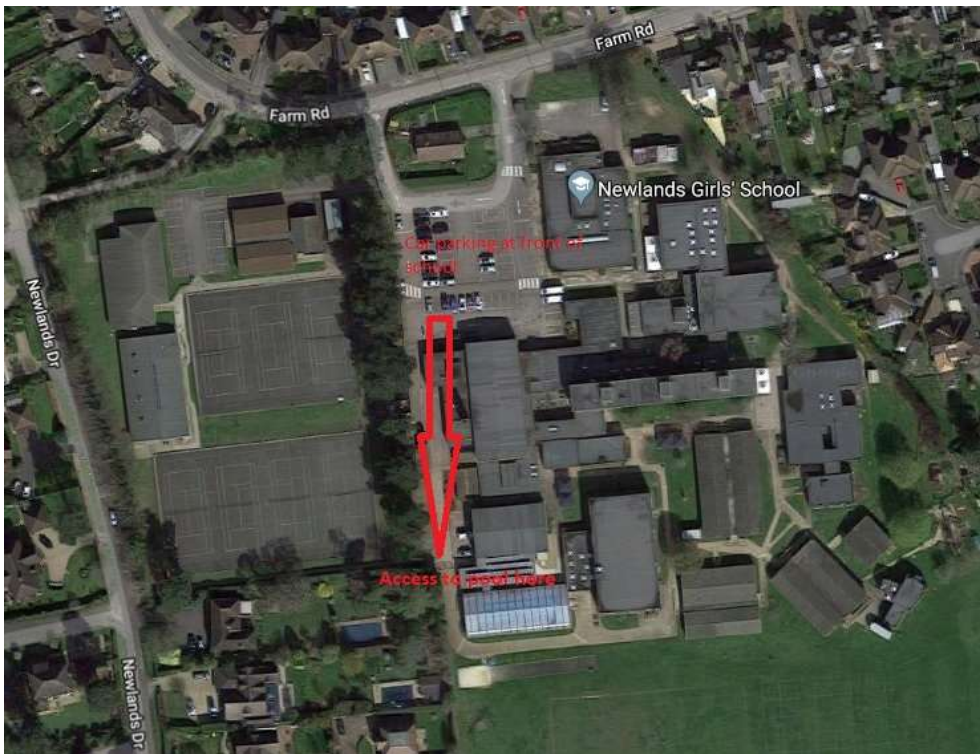

### Address

Newlands Girls' School,  
Farm Road,  
Maidenhead,  
Berkshire, SL6 5JB

### Parking

Please **park in the car park in front of the school** and walk around the side of the school building, past the tennis courts, to the pool entrance. This is before the school field and past the entrance to the sports hall. Please do not park alongside the tennis courts/sports hall area as this is for emergency vehicle access only.

### Access to Pool

**Karen Woolland**  
[info@letsdivein.co.uk](mailto:info@letsdivein.co.uk)  
07966 937101

The pool is shown as the light building before the sports pitches.

Please do not enter the pool area more than 10 minutes before your class to allow other users time to get changed.

### Changing

Toilets are located in the changing rooms and lockers are available to leave belongings during lessons. Continues below.....

Copy right 2017

Please encourage swimmers to use the toilet before the start of their lesson.

Please do not wear outdoor shoes in the pool area. Either remove your shoes or bring along indoor shoes, flip flops for example. No plastic overshoes are provided.

There are separate male and female changing areas. Please do not change in the disabled changing as this is used for first aid treatments.

Parents /spectators can sit on the blue benches at end of the pool.

All swimmers with long hair must wear swim hats.

LDI provide our own branded swim hats for long hair for £6. It is advisable that all children use the changing rooms.

### Code of conduct

- We ask that all swimmers and parents use the facility with respect and care
- Parents will be able to watch the lessons on poolside and are required to stay on poolside during lessons
- For the safety of themselves and others, all children must be accompanied at all times by a responsible adult.
- If your child has been ill with sickness or diarrhea we ask that they are 48 hours clear before swimming
- Shoes must be removed or indoor shoes (eg flip flops) worn before entering on to poolside
- No food, glassware or crockery is allowed within the pool premises
- Plastic/ non-breakable drinking vessels may be allowed at the staff's discretion
- Customers should only access the swimming pool and toilets allocated; under no circumstances should any person access any other areas of the premises. Anyone found away from the designated areas may be asked by the premises owner to leave immediately
- No photography is allowed
- Parents must take responsibility for all children they bring on site. **Do not allow children access to playing fields, hard surface area or playground at any time.** Adults must keep all children in their care safe and quiet
- Swim caps should be worn for people with long hair
